In-Kind Donations Needed **FOR LIVE AND SILENT AUCTIONS**

*Will you please consider contributing to Dancing Thru the Decades
with a donation to our silent or live auction?*

As record numbers of Americans struggle with anxiety, OCD, depression and other mental health issues, Ascension Illinois continues to lead in providing life-saving treatment. As a not-for-profit, faith-based health system, we cannot do this alone.

Your generosity ensures that tens of thousands of people this year and many more in years to come will continue to have access to the personalized, highly specialized behavioral health treatment they need, when they need it most.

Auction Donor Benefits

- Featured signage at the event for all donors
- Acknowledgement of donor on auction website
- Tax-deductible donation benefiting Ascension Illinois ministries
- Company visibility to over 600 people in attendance including Ascension Illinois leadership, physicians, board members and community leaders
